The events are designed in a mini two-way interview style with each student and employer meeting for five minutes. Employers have the opportunity to meet potential candidates and students find out more about the vacancies directly from employers, and to see if they are the right fit.

The events will run in the evening from 5:30pm - 7:30pm. This allows students to come with their parents/guardians and hear from employers to find out what it would be like to work there.

However, spaces are limited, so please click on the link below to register your interest and you will be advised if you are successful. **Registration for this event closes on Friday 9th August.**
