

DAILY NOTICES

TE PANUI

DAY 4– Friday 25th October 2024
TE RA 4 – Paraire 25 o Oketopa 2024
Duty Deputy Principal: Mr. RND

School Photographers 2024

We will be having an end of year Pizza lunch and prize giving to all of this year's Student Photographers on Thursday 31 October at lunchtime in M12.

Please come along so we can celebrate your service and all the great photos you have provided from events this year!

SPCA Sunday Market

Rangi SPCA is holding a stall at the Browns Bay Sunday Market, and we would appreciate any second hand items you have to donate from this Tuesday to Friday at morning tea or lunch in S20. Please ensure they are still in good quality, as we will not be accepting unusable items. In order for this to count as an event, please bring in 2 big items (e.g. a large soft toy and a book) or 3 small items (e.g. two claw clips and a necklace). We look forward to all your donations!

We will also be looking for volunteers to help out (counts as an event too!!), so keep an eye out in the google classroom for more information!

Uniform Shop-Vacancy

The Uniform shop is hiring a Uniform Shop Assistant for the summer holidays (Dec/Jan). Applications are open to Year 13 students only. Please come down to the Uniform Shop to get your Expression of Interest form. We look forward to seeing you 😊

Chess Club

Dear members, our final meeting will be this Tuesday, 29th October, as we will not be continuing due to the upcoming exams. If you have attended more than five meetings, please be sure to attend this last session and provide me with your ID so I can update your profiles.

SENIORS

Interested in a career in the marine industry?

The MAST Academy now runs 12-week pre-trade courses (starting in February 2025) for those interested in a career in this industry and provides an introduction to the marine and specialised technologies world, plus one day a week of work experience. This can then lead to an apprenticeship with an employer full-time. Employers are more likely to hire someone who has done a pre-trade than someone who hasn't.

The pre-trade course would benefit anyone interested in boat building, engineering, mechanics, interiors, electronics/electrical, rigging, sail making, marine facility management, deckhand, rocket lab etc. Many students who work in this industry also travel overseas to work on yachts etc.

Check out the pre-trade info here: <https://www.mastacademy.com/mast-courses-pre-trade>

Or do a virtual career pathway here: <https://mastlearning.com/mast-career-pathway/>

There are only 12 spaces available per course.
