Introduction to Programming

This Friday is the last session of our programming club in C13 at lunch time. We will be back next year with more opportunities for you to learn and improve your programming skills.

SENIORS

Young Scholars Programme applications now open

Do you have students in Year 12 looking for an academic challenge next year? Check out the Young Scholars Programme.

Applications are open now for students who will be Year 13 in 2025 and have demonstrated exceptional academic ability. School cohorts welcome. Applications close December 1. [See courses and information](#)

Interested in a career in the marine industry?

The MAST Academy now runs 12-week pre-trade courses (starting in February 2025) for those interested in a career in this industry and provides an introduction to the marine and specialised technologies world, plus one day a week of work experience. This can then lead to an apprenticeship with an employer full-time. Employers are more likely to hire someone who has done a pre-trade than someone who hasn't.

The pre-trade course would benefit anyone interested in boat building, engineering, mechanics, interiors, electronics/electrical, rigging, sail making, marine facility management, deckhand, rocket lab etc. Many students who work in this industry also travel overseas to work on yachts etc.

Check out the pre-trade info here: <https://www.mastacademy.com/mast-courses-pre-trade>

Or do a virtual career pathway here: <https://mastlearning.com/mast-career-pathway/>

There are only 12 spaces available per course.

Beach Volleyball

All players who have entered North harbour secondary school Beach, and any interested in playing at Auckland champs and/or nationals must attend a meeting in G5, Thursday interval.

Juggle Rangī

Join us in E14 on Monday 4th November at LUNCH for our second Juggling session! Notice the room changed to E14 due to senior exams. Come along whether you came to our first club meeting or not. We will continue learning the 3 ball cascade (and other ticks if you feel you're ready to move on). To get started, you'll need 3 juggling balls; a limited number of juggling beanbags will be available during the session or you can make your own by following this guide: <https://tinyurl.com/389suap3>. If you have any questions, reach out to the teacher in charge – Mr. Stokov or Marcus (177921).
