RANGITOTO COLLEGE PERFORMING ARTS

Performing Arts is about expressing humanity in its most direct form. It achieves this through artistic performances which stimulate emotions and make us reflect on what it means to be human in a wide range of contexts.

To challenge and inspire all students to fulfil their potential in any Performing Arts discipline or genre.

To interweave curriculum and co-curriculum into an effective Performing Arts platform on which relevant, real-life learning occurs.

To foster the highest standard of collegiality and collaboration amongst students and staff, so that Performing Arts becomes an equal and integral part of school culture.

Staff are passionate about providing diverse opportunities for students to participate and perform, and our co-curricular programmes aim to cater for a wide range of ages and abilities.

- **DANCE**
